

# Automated Teller Machine ProCash 2100xe

**WINCOR  
NIXDORF**  
EXPERIENCE MEETS VISION.

The ProCash 2100xe impresses the user with its small footprint and its great availability. Thanks to the motorized drive, the cassettes – up to – 4 – can be emptied right down to the last banknote. The many installation options available – prefabricated wall frames for wall installation – make it possible to install this system even at sites with limited space.
