

Automated Teller Machine ProCash 2250xe

**WINCOR
NIXDORF**
EXPERIENCE MEETS VISION.

The ProCash 2250xe has been developed specially for use from cars. The system is installed through the wall. A climate control unit that is available as an option ensures availability even in the harshest weather conditions. This system has extremely low depth and can be installed at locations where space is limited.

- ATM for outdoor use
