streamlined
and durable!
The ideal choice
for any kiosk
application.*

THE THINMAN SERIES KIOSK

Quality And Economy United!

Our best-selling model, the Thinman Series Kiosks are standalone, walk-up, multimedia kiosks that also provide a light box for advertising or signage. The sleek, streamlined design and durable construction make this series of kiosks the ideal choice for most any kiosk application. The attractive curved face and trim options can be customized to fit any environment.

The Thinman Series also offers additional overhead display options and can be visually configured in many ways to maximize the value of your marketing and corporate image and can be covered with your corporation's color scheme, logo or advertising materials for the greatest consumer impact. The Thinman is available in a variety of finishes. Whether your style runs to brushed metal, bright colors, or wood trim, the Thinman kiosk will blend right into your location's decor.

This kiosk is designed to accept a wide variety of optional components from biometrics to printers, monitors to card readers. Reliable and tested components.
