

THE KM-800 WEDGE SERIES

Form That Follows Function

The KM-800 "Wedge" series are standalone multimedia kiosks that offer several convenient light box options to accommodate any advertising or signage. The Wedge series of standard kiosks are durable, versatile, and highly configurable. These kiosks are ideal for use at trade shows, at business presentations or as permanent installations.

We also offer several types of seated Wedge kiosk configurations, available with attached or detached seating. Your customers can browse your information, check email, or search the internet in complete comfort.

BUILD YOUR WEDGE THE WAY YOU WANT IT
