

## BNC Coaxial Connectors

Greenlee coaxial connectors are precision manufactured from high quality components to provide our customers with superior performance, high reliability and inexpensive field termination with the KWIK CYCLE™ crimping tools.

All BNC connectors:

- Are machined brass.
- Are nickel plated for corrosion resistance.
- Have gold plated, captive centre contact for long life and improved performance.

All 'F' style connectors are nickel plated for corrosion resistance.

<b>BNC Connectors</b>						
	CONNECTOR TYPE	CABLE TYPE	PACKAGE QUANTITY	Cat./UPC No.	RECOMMENDED STRIPPER	RECOMMENDED CRIMPER
	BNC Crimp Plug	RG58 Thinnet PVC	5 Pack 20 Pack	45730 45782	45577 45577	46800 46800
	BNC Crimp Plug	RG58 Thinnet Plenum	5 Pack 20 Pack	45731 45781	45577 45577	46800 46800
	BNC Crimp Plug	RG59/62 PVC	5 Pack 20 Pack	45732 45736	45577 45577	46800 46800
